

IS[®] 500Z

The IS[®] 500Z is bar none the **best value** in its class! Featuring Ferris' **patented suspension technology** the IS[®] 500Z will mow more lawn in less time. And to make you even **more productive**, several accessories are available for your mower. We dare you to find another mower that can compare to the **affordability** and **reliability** of the Ferris IS[®] 500Z.

"It use to take me 3 hours of cutting around many, many trees and shrubs and now it takes me less than half to do the same thing. I have found it so enjoyable that I mow my lawn twice a week and my neighbors take notice and are so jealous. Thanks for the better and faster cut!"
